"It's impossible," he said. "No system could work like that..Sirocco turned to Malloy, while in the background the last of the figures came through. "Okay, you know where to go. Hanlon should be there now with the others." Malloy nodded. "We'll make a soldier out of you yet," Sirocco said to Celia. "You're doing fine. Almost there now." Celia returned a thin smile but said nothing. She moved away with the others toward the far side of the compartment. Meanwhile Stanislau had set up the compack and was already calling up codes onto the screen. He had practiced the routine throughout the day and was quickly through to the schedule of SD guard details inside the Government Center.,ON THE DAY officially designated December 28, 2080, in the chronological system that would apply until the ship switched over to the Chironian calendar, the Mayflower 11 entered the planetary system of Alpha Centauri at a speed of 2837 miles per second, reducing, with its main drive still 'firing at maximum power. The propagation time for communications to and from Chiron had by that time fallen to well under four hours. A signal from the planet continued that accommodations for the ship's occupants had been prepared in the outskirts of Franklin as had been requested..Perhaps he had been hasty, and maybe just a little naive, when he and Eve had talked with Lechat, he admitted to himself. He still believed, as he had believed then, that the Terrans would melt quietly into the Chironian scheme in their own time if they were left alone to do so, but it was becoming apparent that not everybody was going to let them alone. He still couldn't see permanent Separatism as the answer either, but for the immediate future he would feel more comfortable at seeing somebody with a level-headed grasp of the situation in control-such as Lechat. On reflection, Pernak regretted his response to Lechat's plea for support. But it was far from too late for him to be able to change that. He didn't know exactly what he could do to help, but he was getting to know many Chironians and to understand a lot about their ways. Surely that knowledge could be put to some useful purpose..He decides to continue being Curtis Hammond. Thus far no one has connected the name to the."I never said there was," Nanook answered..hunkers in front of the mutt, pets him, scratches behind his ears, and says, "You wait right here. I'll be.Then Colman's communicator started bleeping. Bernard Fallows was calling from the Communications Center. "I guess you did it," he said. "But it's not over yet. We've found out where Sterm is..Bernard relaxed back in his chair and met Merrick's outraged countenance with a calm stare. "Nobody's going to shut that complex down, and you know it," he said. "Save the propaganda. I've helped get the ship here safely, and there are plenty of juniors who deserve a step up. I've done my job. I'm quitting.. "Oh, Lord." Although the sparkle in Leilani's eyes might have been read as something other than.himself is a truck driver and knows that he himself is eating chicken and waffles, but he doesn't know that."Say, half an hour?".making a connection with her. His stubborn persistence through the years had been motivated by.beauty that until now he hadn't seen the kindness in her eyes. "Could be self-pity," he said, naming

his.'~That could be a good place to start," Kalens suggested to Wellesley.'.The Chironian, by contrast, saw a rich, bright, vibrant universe manifesting at every level of structure and scale of magnitude. The same irresistible force of self-ordering, self-organizing evolution that had built atoms from plasma, molecules from atoms, then life itself, and from there produced the supreme phenomenon of mind and all that could be created by mind. The feeble ripples that ran counter to the evolutionary current were as incapable of checking it as was a breeze of reversing the flow of a river; the promise of the future was new horizons opening up endlessly toward an ever-expanding vista of greater knowledge, undreamed-of resources, and prospects without limit. Far from having probed the beginnings of all there was to know, the Chironian had barely begun to learn..CHAPTER THIRTY-SEVEN."They've already got security," Nanook declared. "And if they're not rich enough already, how is some crazy supposed to help?".step too far. I don't buy the alien abduction for a second.".Colman grinned and stroked her hair. "You're right. So what do you want to hear about?".okay, too..By their very presence, however, the cowboys have won allies for Curtis.
