"This is most incommensurate," Junior said, recalling the word from a vocabulary-improvement course, without need of ice applied to the genitals..Perhaps his sister intuited what Edom was about to say, because she didn't let him get started..Behind the dog, Mary walked out of nowhere, ball in hand, and Koko whirled in surprise, and the chase was on again..Celestina, standing next to Agnes, put an arm around her waist, as perhaps she had once been in the habit of doing with her sister..Using a three-step folding stool, he was able to get near enough to one of the vent plates in the living room to determine whether it might be the source of the song. just then the singing stopped.. "That's not what they say," the boy replied with a giggle, for his extensive reading had introduced him to words that he and she agreed were not his to use..Worried that tears would frighten Barty, that indulging in a few would result in a ruinous flood, Agnes held back the salt tides. A mother's duty proved to be the stuff from which dams were built.. "It's a miracle both of you didn't go through that railing," the attorney agreed.. "I should," Tom

agreed, "but the point is this. . ." With the finesse of a magician, he allowed the salt shaker to slip out of the concealment of his palm, and stood it beside the pepper. "This is also me." Waking from a starry night in the Old West into electric light, gazing up into a blur of faces sans cowboy hats, Agnes felt someone moving a piece of ice in slow circles over her bare abdomen. Shivering as the cold water trickled down her sides, she tried to ask them why they were applying ice when she was already chilled to the bone, but she couldn't find her voice. Angel found this hysterical, and Agnes said long-sufferingly, "Thank you for the language lesson, Master Lampion." Kathleen expected this would prove to be true. She herself was not frightened by Thomas Vanadium's appearance; but then she had been prepared for it before she first saw him. And she wasn't a murderer, fearful of retribution, to whom this particular face would seem like Judgment personified. Descending the stairs, Edom said, "September 18, 1906, a typhoon slammed into Hong Kong. More than ten thousand died. The wind was blowing with such incredible velocity; hundreds of people were killed by sharp pieces of debris-splintered wood, spear-point fence staves, nails, glass-driven into them with the power of bullets. One man was struck by a windblown fragment of a Han Dynasty funerary jar, which cleaved his face, cracked through his skull, and embedded itself in his brain." The dinner guest leaned back into the car, as though to retrieve something. Perhaps he, too, had been considerate enough to bring a small gift for his hostess. Barty had awakened able to read. On the page, lines of type no longer twisted under his gaze. After the service, among those who came to Agnes at graveside, trying to express the inexpressible, was Paul Damascus, the owner of Damascus Pharmacy on Ocean Avenue. Of Mideastern extraction, he had dark olive skin and, incredibly, rust-red hair. With his rust-red eyebrows, lashes, and mustache, his handsome face looked like that of a bronze statue with a curious patina. In either case, printing the name in blood was a ritualistic act, and ritualism of this nature was an unmistakable symptom of a seriously unbalanced mind. Evidently, the wife killer would be easier to crack than expected, because his shell was already badly fractured. "If I ever have trots, you'll know." And then in the Cheese voice: "CAN WE LISTEN TO THE BOOK TALK IN YOUR ROOM?". Returning his attention to his own shoes, Jacob said, "So ... what am I supposed to do about this?". Widening his eyes in calculated surprise, Junior said, "Are you a police officer?". Oblivious that she and Barty had become the center of attention, Angel said, "Does he ever get the quarters back?". Throughout lunch and, indeed, during his hours as an outpatient at the hospital, Barty gave no indication that he understood the gravity of his situation. He remained cheerful, charming the doctors and technicians with his sweet personality and precocious chatter. Celestina had chosen to shelter the bastard boy, and in so doing, she had declared herself to be Junior's enemy, though he'd never done anything to her, not anything. She didn't deserve him, really, not even one quick bang before the bang of the gun, and maybe after he shot Ichabod, he'd let her beg for a taste of the Cain cane, but deny her. This time, however, the singing lasted longer than before, long enough for him to become suspicious of the heating ducts. These rooms had ten-foot ceilings, and the ducts opened high in the walls. Instruction in Braille wasn't recommended for three-year-olds, but an exception was made in this case. Agnes arranged to have Barty receive a series of lessons, although she suspected that he'd absorb the system and learn to use it in one or two sessions. A sense of mystery overcame Agnes, unnerving but not entirely or even primarily unpleasant. Jacob trusted no one but Agnes and Edom. He'd trusted Joey Lampion, too, after years of wary observance. Now Joey was dead, and his corpse was in the embalming chamber of the Panglo Funeral Home. He knew that he needed to get a grip on himself. But he could not keep his breathing slow and deep, couldn't remember any of Zedd's other foolproof methods of self-control, couldn't recall a single useful meditative technique. She strove to appear calm, and she must have succeeded, because neither woman seemed to realize that she was scared almost to the point of paralysis. She moved woodenly, joints stiff, muscles tense. Evidently, the hero was accustomed to encounters of this nature. He rose, pulled out the unused fourth chair. "Please sit with us." Munching an Almond Joy, Junior returned to the phone book, with no choice but to find Bartholomew the hard way. On the third of June, he found another useless Bartholomew, and on Saturday, the twenty-fifth, two deeply disturbing events occurred. He switched on his kitchen radio only to discover that "Paperback Writer," yet another Beatles song, had climbed to the top of the charts, and he received a call from a woman. As he said cards, the magician turned a knowing look toward Edom, eliciting from him a responding frown of puzzlement. A cheer went up from family and friends, and Agnes could only imagine what it must feel like to be Barty, both blind and blessed, his heart as rich in courage as in kindness. "You remember things?" the girl asked, her fingertips still pressed lightly to his cheek. He squirmed deep under the covers, clamped a plump pillow over his head to muffle the singing, and chanted, "Find the father, kill the son," until at last he fell exhausted into sleep. Pecan cakes, cinnamon custard pies boxed in insulated coolers, gifts wrapped with bright paper and glittery ribbons. Agnes Lampion made deliveries to those friends who were on her list of the needful, but also to friends who were blessed with plenty. The sight of each beloved face, each embrace, each kiss, each smile, each cheerfully spoken "Merry Christmas" at every stop fortified her heart for the sad task awaiting her when all gifts were given. Such behavior as hers was unlikely to lead to self-discovery, self-improvement, and fulfillment. We make our own misery in this life. For better or worse, we create our own futures. But first, March 23: the bad date with Frieda Bliss, and what he discovered in his apartment when he came home that night. Edom marveled at Agnes's ability to rise above the past and to transcend so many years of torment. She was able to see the house as simple shelter, whereas to her brothers, it was and always would be the place in which their spirits had been shattered. Even living within sight of it would have been out of the question if they had been employed, with options. At the grave, they arrived with red and white roses. Agnes carried the red, and Barty brought the white. Unobtrusively, Junior followed the musician across the large front room, but by an indirect arc, using the babbling bourgeoisie for cover. "I know Edom and Jacob have been a burden," said Vinnie, "you having to be responsible for them." He had been thankful that during the long trance, he hadn't wet himself. Now he would gladly have accepted any amount of humiliation rather than suffer these vicious cramps. When Agnes turned her head and saw Maria Elena Gonzalez, she thought she must be dreaming again. In spite of her nature, Agnes could not find forgiveness in her heart this time. Words of absolution clotted in her throat. Her bitterness dismayed her, but she could not deny it. The window mechanism creaked, the two tall panes began to open outward but too slowly, and the cold white night exhaled a chill plume of breath into the room. Outside, he turned to look at the display windows. He expected to see the candlestick, supernaturally apparent only from this side of the glass, but it wasn't there. Throughout the autumn, Junior read book after book about ghosts, poltergeists, haunted houses, ghost ships, s?ances, spirit rapping, spirit manifestation, spirit writing, spirit recording, trance speaking, conjuration, exorcism, astral projection, Ouija-board revelation, and needlepoint. One of his favorite gifts for Christmas 1967 was a twelve-hole chromatic harmonica with forty-eight reeds providing a full three-octave range. Even in his little hands, and with the limitations of his small mouth, this more sophisticated instrument enabled him to produce full-bodied versions of

any song that appealed to him..The revolving beacons dwindled, casting off blue-and-red pulses of light that shimmered-swooped through the diffusing fog, as if they were disembodied spirits seeking someone to possess..He capped the bottle, pocketed it, and then kicked the dead man, kicked him again, and spat on him..For an instant, she appeared to be frowning. Then he realized this couldn't be a frown. It must be a smoldering look of desire..Matching his mother's whisper, taking obvious delight in their conspiracy, he said, "Our own secret society."..That night her sleep was deeper than it had been in a long time, deep as she had expected sleep would never be again, and she was not plagued by any dreams at all, not a dream of children suffering, nor of tumbling in a car along a rain-washed street, nor of thousands of windblown dead leaves rattling-hissing along a deserted street and every leaf in fact a jack of spades..Mrs. Lampion, in a case like this, I've found that the greatest mercy is directness. Your son has retinoblastoma. A malignancy of the retina."..A cold wind raised a haunting groan as it harried itself around and around in the bronze hollow of the bell atop the church steeple, shook dead needles from the evergreens, and resisted Paul's progress with what seemed to be malicious intent. Miles ago, between the towns of Brookings and Pistol River, he had decided that he wouldn't again walk this far north at this time of year, even if the guidebooks did claim that the Oregon coast was a comparatively temperate zone in winter..Ten months later, Simon called again, also regarding Cain, but this time the attorney was the client, and Cain was the target. What Simon wanted Nolly to do was strange, to say the least, and it could be construed as harassment, but none of it was exactly illegal. And for two years, beginning with the quarter in the cheeseburger, ending with the coin-spitting machines, all of it had been great fun..Having been a volunteer instructor of English to twenty adult students over the years, having taught Maria Elena Gonzalez to speak impeccable English without a significant accent, Agnes was little needed as a teacher by her son. Even more than other children, he asked why with numbing regularity, why this and why that, but never the same question twice; and as often as not, he already knew the answer that he sought from her and was only confirming the accuracy of his deduction. He was such an effective autodidact, he schooled himself better than any college of professors that could have been assigned to him..Glancing at his wristwatch with alarm, Edom bolted up from his chair. "Look at the time! Agnes gave me a lot to do, and here I am rattling on about earthquakes and cyclones."..That's exactly how I hoped he would be." Relieved, he followed Agnes to the living room. "Listen, Aggie, you know, I don't have anything against Jacob, but-"..I'm saying, for all I know." She took her hand off his thigh. "What's all this about Celestina, anyway?"..Sitting at the desk, Celestina phoned her parents again. She shook uncontrollably, but her voice was steady..Instead of answering the question, meaning to imply that he believed Junior already knew the facts, Thomas Vanadium said, "I was able to get a warrant to search your house." Junior thought this must be a trick. No hard evidence existed to indicate that Naomi had died at the hands of another rather than by accident..While Jacob had shuffled, Agnes had taken little Barty from his bassinet into her arms. She was surprised and discomfited to discover that the baby was to have his fortune told first..She whispered then: "You are my little lampion, Barty. You light the way for me."..Junior hadn't paid attention to everyone who visited the pianist though surely he'd have noticed a certain stump in a cheap suit..Agnes ran to the kitchen, where she had been working when the doorbell rang, packing boxes of groceries to be delivered with the honey-raisin pear pies that she and Jacob had baked this morning..Kitchen staff. All men. Some looked up in surprise; others were oblivious of him. He stalked the cramped work aisles, eyes watering from the fragrant steam and the heat, seeking Vanadium, an answer..Before Junior had become a physical therapist, he had considered studying to be a dentist. A low tolerance for the stench of halitosis born of gum disease had decided him against dentistry, but he still could appreciate a set of teeth as exceptional as these.
