"I want to see this place. Is there any reason why you couldn't take me back there right now?". "We are aware of that," Otto said..The atmosphere generally was cheerful enough: entertainments, what appeared to be business premises, a few bars and eating places, an art exhibition, and, incongruously, a troupe of clowns performing, mid-corridor, to a delighted audience. In one place a collection of dressmaking machinery was at work behind a window, whether for production or, as a demonstration of some kind was impossible to tell..Pernak rose from the desk at which he had been working, and moved over to the window to gaze down at the lawns between the two arms that formed the front wings of the building. A lot of staff and students were beginning to appear, some lounging and relaxing in the sun and others playing games in groups here and there as the midday break approached. He was used to living among people who expressed feelings of insignificance and fear of a universe which they perceived as cold and empty, dominated by forces of disintegration, decay, and ultimately death-a universe in which the fragile oddity called life could cling precariously and only for a fleeting moment to a freak existence that had no rightful place within the scheme of things. Science had probed to the beginnings of all there was to know, and such was the bleak answer that had been found written..A dog. Black and white.
