Whatever the reason, Swyley's ability to pick out significant details from a hopeless mess of background garbage and to distinguish consistently between valid information and decoys was justly famed and uncanny. But since Swyley himself didn't understand how he did it, he was unable to explain it to the systems programmers, who had hoped to duplicate his feats with their image-analysis programs. That had been when the "-sits" and the "-zoologists" began their endless batteries of fruitless tests. Eventually Swyley made up plausible-sounding explanations for the benefit of the specialists, but these were exposed when the programs written to their specifications failed to work. Then Swyley began claiming that his mysterious gift had suddenly deserted him completely..Immediately he let the lid drop again, and the sailor with the iron key locked the lock on the top of the box. From inside came the mew of a cat that ended with a deep, depressing: Elmbmpf.. "Thank you very much," said Amos and walked on till he came to another sailor whose feet were awash in soap suds. The sailor was pushing a mop back and forth so hard that Amos decided he was trying to scrub the last bit of color off the grey boards. "Good evening to you too," said Amos. "I'm exploring the ship and I have very little tune since I'm to be up at four o'clock in the morning. I was told to avoid the brig. So could you point it out to me?
