They were not written even in Ard's lore-books,.Long after the invention of the True Runes, a related but nonmagical runic writing was developed for the Hardic language. This writing does not affect reality any more than any writing does; that is to say, indirectly, but considerably..gathering, intolerable tension..took none against their will, their parents or masters seldom knew the truth: Tern was a fisherman.He was in fact a town boy, born in Gont Port. He had said nothing about himself, but Dulse had asked around a bit. The father, a longshoreman, had died in the big earthquake, when Silence would have been seven or eight; the mother was a cook at a waterfront inn. At twelve the boy had got into some kind of trouble, probably messing about with magic, and his mother had managed to prentice him to Ellassen, a respectable sorcerer in Valmouth. There the boy had picked up his true name, and some skill in carpentry and farmwork, if not much else; and Ellassen had had the generosity, after three years, to pay his passage to Roke. That was all Dulse knew about him..A carter walking at his mule's head with a load of oakwood came upon them and took them both to Woodedge. He could not make the young man let go of the dead woman. Weak and shaky as he was, he would not set his burden down on the load, but clambered into the cart holding her, and held her all the miles to Woodedge. All he said was "She saved me," and the carter asked no questions..It is said that Segoy first wrote the True Runes in fire on the wind, so that they are coeval with the Language of the Making. But this may not be so, since the dragons do not use them, and if they recognise them, do not admit it..What do you mean, what of it? Was there. . . no brit?".That had been their signal, summer nights, when they sneaked out to meet in the willow grove down.it. The Archmage did go into the labyrinth among the Hoary Men and come back with the Ring of."She saved me but I couldn't save her," he said

fiercely to the men and women of the mountain village. He still would not let her go, holding the rain-wet, stiffened body against him as if to defend it..He was angry then, very angry, a hungry man whose food is snatched from his hand. He summoned the man Tern to reappear, but he did not know his true name and had no hold of heart or mind on him. The summons went unanswered..After a long pause he went on. "You know that a dragon brought back our Lord Sparrowhawk, with the young king, from the shores of death. Then the dragon carried Sparrowhawk away to his home, for his power was gone, he was not a mage. So presently the Masters of Roke met to choose a new Archmage, here, in the Grove, as always. But not as always..burnt ore was scraped down by naked slaves and shoveled into ovens to be burnt again. They came to him. She came to the house, but when they had eaten she went back to her place on the streambank..But after ten days or so, Licky said, "Master Gelluk's coming here. If there's no ore for him, he'll likely find another dowser."."When he passed me," she said in a low voice, "I saw a grave."."You have no plans?".Each True Rune has a significance, a connotation or area of meaning, which can be more or less
