Long after the invention of the True Runes, a related but nonmagical runic writing was developed for the Hardic language. This writing does not affect reality any more than any writing does; that is to say, indirectly, but considerably. During the voyage, however, he talked several times with Dragonfly, which made Ivory a bit uneasy. Her ignorance and trustfulness could endanger her and therefore him. What did she and the bagman talk about? he asked, and she answered, "What is to become of us." Ordinary Hardic, for matters of government or business or personal messages or to record history, tales, and songs, is written in the characters properly called Hardic runes. Most Archipelagans learn a few hundred to several thousand of these characters as a major part of their few years of schooling. Spoken or written, Hardic is useless for casting spells.
